FRIENDS OF ANCELLS FARM

We are focused on improving the green areas on Ancells Farm for the benefit of the local community.

We represent the "community voice" in matters relating to our green areas.

Join us and have fun helping to make a difference.

Local history board

Who are the Friends of Ancells Farm?

Friends of Ancells Farm was founded in December 2010 by local residents who worked with the newly-formed Fleet Town Council, to create a wonderful new play area.

Since then we have raised over £20,000 all of which has been used for improvements to our green spaces.

Our work continues, with fantastic community support.

What do we do?

We hold fun community events, plant hedges & lots of plants, provide seating areas, information boards, nature trail, play equipment, bridges & bike racks.

We have also helped bring the football pitch & sports pavilion back into use.

Our beautiful Onion seating area

We have agreed a Development Plan with Fleet Town Council to ensure that any changes made to the park are done in an agreed and appropriate manner.

Get Involved!

We urge you & your neighbours to join. The larger the number of members, the more improvements we can make. You can join on-line or at one of our events — it's only £5 per household each year.

Come to our events & join in the fun! Keep an eye on our social media pages for info.

Take part in Hart Lottery & nominate us as your good cause. All funds raised go directly to your community.

Take part in Hart Lottery—prizes to be won!
